Education

Johnson & Wales University | Sep. 2010 - May 2014

B.S. Graphic Design & Digital Media|Print Production Concentration
Class of 2014, Cum Laude

Experience

Jr. Designer | Good2BSocial | Nov 2017 - Present

Collaborating with account managers in redesigning legal and medical firms websites. Created wireframes, user flows, and designs for small to large-scale websites from start to finish to be interactive, user-friendly, and AODA compliant. Mocked up prototypes for testing and gave presentations to clients. Determined the number of page templates to adhere to the development budget and tested for QA.

Freelance Designer | Sep 2011 - Present

Worked on projects spanning logo design to illustration and web design.

Lead Designer | Transit Wireless | Oct 2015 - Aug 2017

Redesign branding, illustrations, UI design and development for Transit Wireless's new identity including logos, branding templates, promotional materials, websites, social media accounts. Created graphics, slide templates and PPT materials for RFP/board documents, external client presentations and collateral for use by all departments.

Creative Designer Intern | MKTG Inc. | June 2015 - Aug 2015

Assisted the in-house Graphic Designers with production of marketing collateral for print and digital mediums in the form of layout design, photo manipulation, and signage. Developed a promotional advertisements for an upcoming events and experience that client hsoted. Collaborated designers to develop novel ideas for unique and new experiecnas for our clients.

UI Design Intern | nivo. | Nov 2014 - Mar 2015

Worked with the Marketing& Development Team to design new user interfaces for a mobile product to be released on both Apple app & Google Play stores. Designed new interfaces, including a new library and call-to-actions. Conducted research to establish business and user requirements, and delivered through design specs for engineers to implement.
